

1. Cut out the Stock Strap
2. Cut along the dotted lines for the size that fits your wrist.
3. Wrap the Stock Strap around your wrist, aligning your size with the top cut out.
4. Open the Stock AR App and select your stock strap size.
5. Choose the watch you want to try on.
6. Focus your phone camera on your strap.
7. Take a screen shot with your favourite watch.

Wear the strap like the illustration below.

CUT ALONG THE DOTTED LINE FOR YOUR SIZE.
